

48th Annual Illinois Council on Continuing Higher Education 2023 Conference

Transforming the Future
of Higher Education

April 19, 2023

Illinois Council on Continuing Higher Education

2023 ANNUAL
CONFERENCE

Transforming the Future of
Higher Education

April 19, 2023

Individual Action Plan

The ICCHE conference provides the opportunity to learn new ideas, identify best practices, network with colleagues and refresh our minds. Keep track of your action plan throughout the conference, so you can hit the ground running when you are back in the office!

Illinois Council on Continuing Higher Education

2023 ANNUAL CONFERENCE

Transforming the Future of Higher Education

April 19, 2023

Keynote Speaker:

Dr. Vickie Cook

*Vice Chancellor for Enrollment & Retention Management -
University of Illinois Springfield*

Dr. Vickie Cook holds a Ph.D. in Higher Education Administration and an M.S. in Adult Education. She has provided consulting and faculty development with educational leaders across the U.S., Canada, and Mexico and provided consultation to over 50 institutions seeking to expand or evaluate their online learning programs and leadership. She has published many journal articles and book chapters in a variety of national educational publications. Her scholarship includes Generational Learning and Leadership Capacity Building. Dr. Cook has been actively engaged in ICHE for over 25 years. She has received a number of award and recognition from various organizations including being named as a 2017 University of Illinois President's Executive Leadership Fellow; 2017 Online Learning Consortium (OLC) Fellow; 2020 University Professional and Continuing Education Outstanding Leader; 2018 Illinois Council on Continuing and Higher Education Award for Exemplary Service; 2007 Illinois Council on Continuing and Higher Education Charles V. Evans Research Grant Recipient; 2005 Illinois Exemplary Leadership Award – Illinois Council on Continuing Education and Training; and 2004 Illinois Council on Continuing and Higher Education Charles V. Evans Research Grant Recipient among other national honors.
